## Agenda – Monday 10<sup>th</sup> April 2017

### Up Stairs at Lowton Social Club starting at 7/30

---

- Welcome New Visitors and Guests
- AGM election of officers and sub committee
- HS2 Latest

I'm still on leave until Thursday but I think I need to postpone my attendance next Monday to the May meeting, following on from the decision of CH2M to withdraw from being our development partner for Phase 2b of HS2.

I'm really sorry about this but I feel it better for me to come armed with information of use to the residents of Lowton.

Yours with best wishes, Raj
