For the attention of Kevin Ward Government Inspector and Wigan Planning Department.

My name is William Adamson and I own the land shaded in green on the attached map.

I want to make it clear that I have no intention to dispose of this land for development.

The land is well farmed and highly productive; three years ago it was re-drained at considerable cost and is now excellent growing land.

I therefore request that it is removed from the Wigan local development core strategy document and that it remains protected land.

In future if Wigan is planning to include my land in any of their developments I would expect full consultation before hand.

William Adamson

A handwritten signature in black ink that reads "William Adamson". The script is cursive and fluid, with the first name and last name clearly distinguishable.
